LEAO AGENCY: CAL OES

Colifornio Department of Education (CDE)

- CDE's Office of Learning Environments has representatives in Butte County today, with school facilities experts to try and assess how to help the impacted districts and schools reopen as quickly and safely as possible
- Paradise Unified School District administrative functions relocated to Butte County Office of Education (BCOE) offices in Oroville. The BCOE will support Paradise Unified in reaching out to families to identify where they have relocated. BCOE is organizing the homeless liaisons from districts within the county to serve as the primary point of contact. Families can contact Butte 2-1-1 for referral services (i.e., where students may want to attend school.)
- CDE is working closely with school district leaders within the county to reopen schools throughout the county on 12/03/18. Key district and school personnel, including teachers, will return 11/26/18 for training, setting up classroom spaces, etc. Students will not return until 12/03/18.
- Local school leaders in Butte County, in partnership with the CDE, are collecting mental health and counseling public and private resources in order to fully staff schools when they reopen on 12/03/18. Counseling/mental health training will be provided for teachers and other school staff the week of 11/26/18.
